Report of Pharmacy Visit (Educational Tour)

As per the guidelines of NCISM, the Department of Rasa Shastra & Bhaishajya Kalpana, Smt. K. C. Ajmera Ayurved Mahavidyalaya, Deopur, Dhule organised an Educational Pharmacy Visit for students of second year BAMS.

The main aim of this visit was to provide practical exposure to ayurvedic pharmaceutical processes and to understand the manufacturing of ayurvedic medicines.

A total of 45 students along with 4 staff members, namely Vd. Avinash Jagtap, Vd. Shrikant Bagul, Vd. Pallavi Kakade and Mrs. Kavita Nerakar Participated in this educational visit.

The educational visit was conducted on **13/12/2025** at **SG Phyto Pharmacy, Kolhapur**. Prior permission was obtained from the concerned authority of the pharmacy. Our Group reached the venue at 11:00 am and completed the necessary formalities before beginning the visit.

SG Phyto pharmacy, Kolhapur is well established and reputed ayurvedic pharmaceutical company. It is an iso certified and Ayush – GMP certified Pharmacy which has more than four decades of experience in the field of Ayurvedic medicine manufacturing, Unit, both of which are shown in detail.

After the formal introduction, the pharmacy staff guided the students through the premises, The pharmacy mainly consists of two important units, namely the processing unit and the manufacturing unit, both of two important units, namely the processing unit and the Manufacturing Unit of which are shown in detail.

In the processing Unit, we were introduced to various raw materials used for preparing medicines, The staff explained us the procedure of cleaning drying, grinding and pulverizing herbal and mineral drugs. Proper methods of storage, handling of raw materials and maintenance of hygiene were also explained.

In the manufacturing unit, we observed various forms such as Churna, Vati, Capsules, Taila and other classical formulations, various machines used for mixing, tablet making capsule filling, labelling and packing were demonstrated.

The importance of following GMP guidelines, maintaining uniformity, purity and ensuring patient safety was emphasized.

This educational visit proved to be highly informative and beneficial. It helped us students to correlate theoretical knowledge of 'Rasa shastra and Bhaishajya Kalpana with practical pharmaceutical applications.

Thus, the educational pharmacy visits to SG Phyto pharmacy, Kolhapur was successfully completed and was a valuable learning experience for all of us as a BAMS student.
